

AMENDED IN SENATE JUNE 3, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 143

Introduced by Assembly Member Jeffries

January 22, 2009

An act to amend Section 2781 of the Revenue and Taxation Code, relating to taxation, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 143, as amended, Jeffries. Property taxation: replicated tax payments: return.

Existing property tax law requires a county to return a replicated tax payment to the tendering party within 60 days following the receipt of the replicated tax payment.

This bill would authorize an owner of record to instruct a tax collector, by written request, to refund a replicated payment on a current assessment to the tendering party who is not an owner of record, if that tendering party is known at the time the request is made by the owner of record.

By changing the manner in which tax collectors return replicated tax payments, this bill would impose a state-mandated local program.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
